HEALTH AND SAFETY CODE	
Division 1. Administration of Public Health	
Part 1. State Department of Health Services	
Chapter 2. Powers and Duties	
Article 9. Air Sanitation	
§ 425. Recommendations for ambient air quality standards.....	1
Division 13. Housing	
Part 2.5. State Building Standards	
Chapter 4. The California Building Standards Code	
§ 18941.10. Adoption of building standards for installation of future electric vehicle charging infrastructure for parking spaces in multifamily dwellings and nonresidential development	1
§ 18941.11. Adoption of mandatory building standards for electric vehicle charging station installations in existing multifamily dwellings, hotels, motels, and nonresidential developments during specified alterations to existing parking facilities [Repealed effective January 1, 2033].....	2
§ 18941.17. Electric vehicle charging infrastructure standards workshop or collaborative process; Recommended standard	2
Division 20. Miscellaneous Health and Safety Provisions	
Chapter 6.7. Underground Storage of Hazardous Substances	
§ 25290.1.2. Certification of enhanced vapor recovery systems at gasoline dispensing facilities	3
Division 25.5. California Global Warming Solutions Act of 2006	
Part 1. General Provisions	
Chapter 1. Title of Division	
§ 38500. Short Title.....	3
Chapter 2. Findings and Declarations	
§ 38501. Legislative findings and declarations. [Repealed effective January 1, 2031].....	3
§ 38501. Legislative intent [Operative January 1, 2031]	4
Chapter 3. Definitions	
§ 38505. Definitions	5
§ 38505.5. Definitions “District” [Repealed effective January 1, 2031]	6
§ 38506. “Social costs”	6
Chapter 4. Role of State Board	
§ 38510. Monitoring and regulating sources of greenhouse gas emissions	6
Part 2. Mandatory Greenhouse Gas Emissions Reporting	
§ 38530. Adoption of regulations.....	6
§ 38531. Availability and display of specified information regarding greenhouse gas emissions, criteria pollutants, and toxic air contaminant emissions on Web site; Yearly presentation of informational report at specified legislative committee hearing	7
§ 38532. Climate Corporate Data Accountability Act	7
§ 38533. Definitions; Climate-related financial risk report; Public access to report on website; Exceptions; Penalties for non-compliance	9
§ 38535. Standardized system for quantifying direct carbon emissions and decay from fuel reduction activities; Baseline level; Reports	11
Part 3. Statewide Greenhouse Gas Emissions Limit	
§ 38550. Greenhouse gas emission level to equal that of 1990.....	11
§ 38551. Limit to remain in effect indefinitely	11
Part 4. Greenhouse Gas Emissions Reductions	
§ 38560. Rules and regulations to be adopted in open public process	12
§ 38560.5. Adoption of early action greenhouse gas emission reduction measures	12
§ 38560.7. Greenhouse gas emissions dashboard.....	12

TABLE OF CONTENTS

	Page
§ 38561. Scoping plan for achieving the maximum technologically feasible and cost-effective reductions in greenhouse gas emissions; Public workshops	12
§ 38561.2. Development of net-zero emissions strategy for the state's cement sector	13
§ 38561.3. Framework for measuring and reducing average carbon intensity of materials used in new building construction	14
§ 38561.5. Determination of targets for natural carbon sequestration and nature-based climate solutions to achieve carbon neutrality and foster climate adaptation and resilience; Expert advisory committee; Standards for tracking greenhouse gas emissions and reductions and carbon sequestration from natural and working lands.....	16
§ 38561.6. Embodied carbon trading system.....	17
§ 38561.8. Evaluation of use of hydrogen	18
§ 38562. Adoption of greenhouse gas emissions limits and reduction measures [Repealed effective January 1, 2031]	19
§ 38562. Adoption of greenhouse gas emissions limits and reduction measures [Operative January 1, 2031]	20
§ 38562.2. California Climate Crisis Act	21
§ 38562.4. Aim of State Agencies to achieve net-zero greenhouse gas emissions; Duties of Department of General Services; Budget proposals; Report to Legislature.....	22
§ 38562.5. Consideration of social costs and specified priorities in adopting rules and regulations.....	22
§ 38562.7. Identification in scoping plan update of specified information for emissions reduction measures.....	22
§ 38563. Prior adoptive measures approved.....	22
§ 38564. Consultation	23
§ 38565. Opportunity for community to participate and benefit	23
§ 38566. Reduction of greenhouse gas emissions below statewide limit by specified date.....	23
§ 38568. Incentive programs	23
Part 5. Market-based Compliance Mechanisms	
§ 38570. Market-based compliance mechanisms; Prior steps	23
§ 38571. Quantification; Exemption from rulemaking provisions of Administrative Procedure Act	24
§ 38574. No authority to alter programs of other agencies to reduce greenhouse gas emissions	24
Part 6. Enforcement	
§ 38580. Enforcement; Violations	24
Part 7. Miscellaneous Provisions	
§ 38590. Alternative regulations.....	25
§ 38590.1. Appropriation priorities for moneys collected from market-based compliance mechanism [Repealed effective January 1, 2031]	25
§ 38591. Environmental justice advisory committee	25
§ 38591.1. Compliance Offsets Protocol Task Force; Membership [Repealed effective January 1, 2031]	25
§ 38591.2. Independent Emissions Market Advisory Committee; Membership [Repealed effective January 1, 2031]	26
§ 38591.3. California Workforce Development Board report to Legislature; Required consultation [Repealed effective January 1, 2031]	26
§ 38592. Compliance with all requirements to protect environment	26
§ 38592.1. CCST assessment on infrastructure projects necessary to achieve state energy, climate change, and air quality goals	27
§ 38592.5. Update of scoping plan for greenhouse gas emissions reductions [Repealed effective January 1, 2031]	27
§ 38592.6. Legislative Analyst's Office annual report to Legislature on greenhouse gas emissions targets [Repealed effective January 1, 2031]	27
§ 38593. Authority of Public Utilities Commission; Obligation of electric corporations.....	28
§ 38594. Limitation or expansion of authority of district; Limitation on adoption and implementation of specified rules and regulations (Operative term contingent; Repealed January 1, 2031)	28

§ 38594. Limitation or expansion of authority of district [Operative January 1, 2031]	28
§ 38595. Facility construction or expansion	28
§ 38596. Severability.....	28
§ 38597. Fee schedule	28
§ 38598. Authority of state entity to adopt greenhouse gas emission reduction measures; State entities must comply with existing law	28
§ 38599. Adjustment of deadline due to unforeseen circumstance	29
Part 8. California Jobs Plan Act of 2021	
§ 38599.10. Definitions	29
§ 38599.11. Standards for applicants.....	29
Division 26. Air Resources	
Part 1. General Provisions and Definitions	
Chapter 1. Findings, Declarations, and Intent	
§ 39000. Legislative finding.....	30
§ 39001. Legislative declaration.....	30
§ 39002. Agencies responsible for pollution control	31
§ 39003. State Air Resources Board.....	31
§ 39004. Effect of reenactment; District boards	31
§ 39005. Effect of reenactment; Orders, rules, and regulations	31
§§ 39006-39009.5. [Sections repealed 1975]	31

§ 39614. 2.0L partial consent decree; Investments and expenditures; Duties of state board and lead agency	49
§ 39615. [Section repealed 1993.]	50
§ 39616. Legislative findings and declarations; Market-based incentive program; Submission of plan or plan revisions; Adoption of rules and regulations	50
§ 39616.5. Compliant diesel fuel; Regulation	51
§ 39617. Methods for calculation of emission reductions	51
§ 39617.5. Expansion of monitoring program to determine exposure of infants and children to air pollutants.....	52
§ 39618. Regulation of refrigerated trailers as mobile sources	52
§ 39619. Airborne fine particles	52
§ 39619.5. Fine particles program goals	53
§ 39619.6. Study and review of health conditions	53
§ 39619.7. Written communication of possible civil penalty; Contents	53
§ 39619.8. Report to Governor and Legislature	54
Chapter 3.1. Permit Assistance	
§ 39620. Adoption and implementation of program.....	54
Chapter 3.2. Goods Movement Emission Reduction Program	
§ 39625. Legislative intent	54
§ 39625.01. Citation of chapter	55
§ 39625.02. Definitions; Authority of duties of administrative agency.....	55
§ 39625.1. Definitions	56
§ 39625.3. Types of funding	56
§ 39625.5. Competitive basis for allocation of funds; Priority projects; Supplemental funding.....	56
§ 39626. Guidelines for implementing funding; Notice of availability of funding; List of projects under consideration	57
§ 39626.5. Requirements for funding; Time limit on use of funds; Amount	57
§ 39627. Reimbursement for administrative costs.....	58
§ 39627.5. Report to Legislature	58
Chapter 3.3. Cruise Ships and Oceangoing Ships	
§ 39630. Legislative findings and declarations	58
§ 39631. Enforcement and adoption of standards, rules and regulations; Cruise ship defined; 58Oceangoing ship defined.....	58
§ 39632. Onboard incineration prohibited within 3 miles of California coast.....	59
Chapter 3.4. Schoolbus Idling and Idling at Schools	
§ 39640. Purpose of chapter.....	59
§ 39641. Regulations establishing toxic control measures	59
§ 39642. Enforcement of regulations; Civil penalties	59
Chapter 3.5. Toxic Air Contaminants	
Article 1. Findings, Declarations and Intent	
§ 39650. Legislative findings and declarations	59
Article 2. Definitions	
§ 39655. Definitions	60
Article 2.5. Coordination With the Federal Act	
§ 39656. Establishment of program to regulate toxic air contaminants.....	60
§ 39657. Identification and designation of toxic air contaminants	60
§ 39658. Airborne toxic control measures.....	61
§ 39659. Regulations.....	61
Article 3. Identification of Toxic Air Contaminants	
§ 39660. Evaluations and recommendations regarding potential contaminants	61
§ 39660.5. Potential exposure in indoor environments.....	63
§ 39661. Report as basis for regulatory action; Revising report.....	63
§ 39662. Public hearing; Determination; Review of determination	63
§ 39663. [Section repealed 2004.]	64
§ 39664. Epidemiological study of long-term health effects of aerial application of pesticides.....	64

Article 4. Control of Toxic Air Contaminants	
§ 39665. Report on need and degree of regulation for contaminant	64
§ 39666. Adoption of airborne toxic control measures	64
§ 39667. Revision in emission standards or regulations specifying content of motor vehicle fuel..	65
§ 39668. Report on availability and effectiveness of monitoring options; Guidelines for supplemental monitoring networks; Request for matching funds	65
§ 39669. Implementation and enforcement of prior-adopted airborne toxic control measures.....	66
Article 4.5. Special Provisions for Infants and Children	
§ 39669.5. Legislative findings and declarations; Identification and evaluation of toxic air contaminants that may be problematic for infants and children.....	66
Article 5. Scientific Review Panel	
§ 39670. Members of panel	67
§ 39671. Terms of members.....	67
Article 6. Penalties	
§ 39674. Civil penalties; Strict liability; Liability for intentional or negligent violations.....	68
§ 39675. Applicability of Sections 42400, 42400.1, 42400.2, and 42402.2 to violations of certain regulations or orders.....	68
Chapter 3.6. Labor Standards	
Article 1. General Provisions and Definitions

§ 39681. Incentive programs	69
§ 39682. Definitions	69
§ 39683. Constraints to implementation	70
§ 39684. Application to incentive programs	70
§ 39685. Scope of application	70
§ 39686. Violation of standards	70
§ 39687. Compliance with chapter	70
§ 39688. Liability for repayment.....	71
§ 39689. Severability.....	71
Article 2. Fleet Purchaser Labor Standards	
§ 39690. Eligibility for incentive program	71
§ 39691. Third party reporting.....	71
§ 39692. Breach of contract	72
§ 39693. Rental or leasing entities; Vehicle leases; Violations and penalties	72
Chapter 4. Research	
§ 39700. Legislative declaration.....	72
§ 39701. Coordination and collection of research data	72
§ 39702. Report to Legislature	73
§ 39702.5. [Section repealed 2005.]	73
§ 39703. Administration and coordination of air pollution research	73
§ 39704. Contracts for air pollution research	73
§ 39705. Screening committee.....	73
§ 39706. Appropriation for development of cotton gin trash incinerator heat exchanger	73
Chapter 4.1. Greenhouse Gas Reduction Fund Investment Plan and Communities Revitalization Act	
§ 39710. Definition	74
§ 39711. Identification of disadvantaged communities for investment opportunities	74
§ 39712. Appropriations: Use of moneys; Allocation.....	74
§ 39713. Required allocations in investment plan	75
§ 39715. Guidelines required for maximizing benefits for disadvantaged communities	75
§ 39716. Investment plan	75
§ 39718. Appropriation; Use of moneys in fund	76
§ 39719. Continuous appropriation of annual proceeds of the fund to reduce greenhouse gas emissions	76
§ 39719.1. Moneys available to High-Speed Rail Authority; Repayment.....	77

§ 39730. Strategy to reduce emissions of short-lived climate pollutants.....	80
§ 39730.5. Strategy requirements and approval	80
§ 39730.6. Methane emissions reduction.....	80
§ 39730.7. Dairy and livestock methane emissions.....	81
§ 39730.8. Renewable gas; Biomethane and biogas	82
§ 39731. Duties of state board with respect to methane emissions	82
§ 39733. Woodsmoke Reduction Program.....	83
§ 39734. Fluorinated gases; Prohibitions and restrictions	83
§ 39735. Prohibition on bulk hydrofluorocarbons or bulk blends containing hydrofluorocarbons; Exemptions.....	84
§ 39736. Assessment on transition of state economy from hydrofluorocarbons to ultra-low GWP or no-GWP alternatives	84
Chapter 4.3. Carbon Sequestration	
Article 1. Natural and Working Lands	
§ 39740. Legislative findings	85
§ 39740.1. Definitions	86
§ 39740.2. Natural and Working Lands Climate Smart Strategy; Carbon dioxide removal targets.....	86
§ 39740.3. California Carbon Sequestration and Climate Resiliency Project Registry	87
§ 39740.4. California Carbon Sequestration and Climate Resiliency Project Registry registration requirements	87
§ 39740.5. California Carbon Sequestration and Climate Resiliency Project Registry application process and minimum criteria.....	87
§ 39740.6. California Carbon Sequestration and Climate Resiliency Project Registry tracking of projects.....	87
§ 39740.7. Carbon removal and greenhouse gas emission reduction tracking	87
§ 39740.8. Third party organization involvement	88
Article 2. Carbon Capture, Removal, Utilization, and Storage Program	
§ 39741. Definitions	88
§ 39741.1. Establishment of Carbon Capture, Removal, Utilization, and Storage Program; Geologic Carbon Sequestration Group consultation; Reports	88
§ 39741.2. Unified permit application.....	89
§ 39741.3. Centralized public database	89
§ 39741.4. Protocols to support additional methods of utilization or storage of captured carbon dioxide.....	89
§ 39741.5. Adoption of regulations for financial responsibility for carbon dioxide capture, removal, or sequestration projects.	90
Chapter 4.5. Rice Straw Demonstration Project	
§ 39750. Findings	90
§ 39751. Fund	90
§ 39752. Cost-sharing grants for demonstration projects; Criteria for awards; Preferences (Operative date contingent).....	90
