HEALTH AND SAFETY CODE	
Division 1. Administration of Public Health	
Part 1. State Department of Health Services	
Chapter 2. Powers and Duties	
Article 9. Air Sanitation	
§ 425. Recommendations for ambient air quality standards	1
Division 20. Miscellaneous Health and Safety Provisions	
Chapter 6.7. Underground Storage of Hazardous Substances	
§ 25290.1.2. Certification of enhanced vapor recovery systems at gasoline dispensing facilities	1
Division 25.5. California Global Warming Solutions Act of 2006	
Part 1. General Provisions	
Chapter 1. Title of Division	
§ 38500. Short Title.....	2
Chapter 2. Findings and Declarations	
§ 38501. Legislative findings and declarations. [Repealed effective January 1, 2031]	2
§ 38501. Legislative intent [Operative January 1, 2031].....	3
Chapter 3. Definitions	
§ 38505. Definitions	3
§ 38505.5. Definitions “District” [Repealed effective January 1, 2031]	4
§ 38506. “Social costs”	4
Chapter 4. Role of State Board	
§ 38510. Monitoring and regulating sources of greenhouse gas emissions	4
Part 2. Mandatory Greenhouse Gas Emissions Reporting	
§ 38530. Adoption of regulations	5
§ 38531. Availability and display of specified information regarding greenhouse gas emissions, criteria pollutants, and toxic air contaminant emissions on Web site; Yearly presentation of informational report at specified legislative committee hearing	5
§ 38535. Standardized system for quantifying direct carbon emissions and decay from fuel reduction activities; Baseline level; Reports.....	5
Part 3. Statewide Greenhouse Gas Emissions Limit	
§ 38550. Greenhouse gas emission level to equal that of 1990.....	6
§ 38551. Limit to remain in effect indefinitely	6
Part 4. Greenhouse Gas Emissions Reductions	
§ 38560. Rules and regulations to be adopted in open public process.....	6
§ 38560.5. Adoption of early action greenhouse gas emission reduction measures.....	6
§ 38561. Scoping plan for achieving the maximum technologically feasible and cost-effective reductions in greenhouse gas emissions; Public workshops	6
§ 38562. Adoption of greenhouse gas emissions limits and reduction measures [Repealed effective January 1, 2031].....	7
§ 38562. Adoption of greenhouse gas emissions limits and reduction measures [Operative January 1, 2031].....	9
§ 38562.5. Consideration of social costs and specified priorities in adopting rules and regulations.....	9
§ 38562.7. Identification in scoping plan update of specified information for emissions reduction measures.....	10
§ 38563. Prior adoptive measures approved.....	10
§ 38564. Consultation	10
§ 38565. Opportunity for community to participate and benefit.....	10
§ 38566. Reduction of greenhouse gas emissions below statewide limit by specified date	10
Part 5. Market-based Compliance Mechanisms	
§ 38570. Market-based compliance mechanisms; Prior steps.....	10

	Page
§ 38571. Quantification; Exemption from rulemaking provisions of Administrative Procedure Act	10
§ 38574. No authority to alter programs of other agencies to reduce greenhouse gas emissions....	11
Part 6. Enforcement	
§ 38580. Enforcement; Violations	11
Part 7. Miscellaneous Provisions	
§ 38590. Alternative regulations	11
§ 38590.1. Appropriation priorities for moneys collected from market-based compliance mechanism [Repealed effective January 1, 2031]	11
§ 38591. Environmental justice advisory committee	12
§ 38591.1. Compliance Offsets Protocol Task Force; Membership [Repealed effective January 1, 2031]	12
§ 38591.2. Independent Emissions Market Advisory Committee; Membership [Repealed effective January 1, 2031].....	12
§ 38591.3. California Workforce Development Board report to Legislature; Required consultation [Repealed effective January 1, 2031]	13
§ 38592. Compliance with all requirements to protect environment	13
§ 38592.5. Update of scoping plan for greenhouse gas emissions reductions [Repealed effective January 1, 2031].....	13
§ 38592.6. Legislative Analyst’s Office annual report to Legislature on greenhouse gas emissions targets [Repealed effective January 1, 2031].....	14
§ 38593. Authority of Public Utilities Commission; Obligation of electric corporations	14
§ 38594. Limitation or expansion of authority of district; Limitation on adoption and implementation of specified rules and regulations (Operative term contingent; Repealed January 1, 2031)	14
§ 38594. Limitation or expansion of authority of district [Operative January 1, 2031].....	14
§ 38595. Facility construction or expansion.....	14
§ 38596. Severability.....	15
§ 38597. Fee schedule.....	15
§ 38598. Authority of state entity to adopt greenhouse gas emission reduction measures; State entities must comply with existing law	15
§ 38599. Adjustment of deadline due to unforeseen circumstance.....	15
Division 26. Air Resources	
Part 1. General Provisions and Definitions	
Chapter 1. Findings, Declarations, and Intent	
§ 39000. Legislative finding.....	15
§ 39001. Legislative declaration.....	15
§ 39002. Agencies responsible for pollution control	16
§ 39003. State Air Resources Board	16
§ 39004. Effect of reenactment; District boards	16
§ 39005. Effect of reenactment; Orders, rules, and regulations.....	16
§§ 39006-39009.5. [Sections repealed 1975]	16
Chapter 2. Definitions	
§ 39010. Definitions governing construction	17
§ 39010.5. “Acid deposition”	17
§ 39010.6. “Acid deposition precursor”	17
§ 39011. “Agricultural burning”	17
§ 39011.5. “Agricultural source of air pollution” or “agricultural source”; Applicability of certain district rules or regulations; Authority of district to regulate a source	17
§ 39012. “Air basin”	18
§ 39013. “Air contaminant”; “Air pollutant”	18
§ 39014. “Ambient air quality standards”	18
§ 39014.3. “Antelope Valley district”	18
§ 39014.5. “Antelope Valley District Board”	18
§ 39015. “Bay district”	18
§ 39016. “Bay district board”	18

§ 39600. Acts required	27
§ 39601. Adoption of regulations; Conformance to federal law	28
§ 39601.5. Availability of information relating to air emissions, public health impacts, and economic impacts to public	28
§ 39602. Designated air pollution control agency; Compliance with federal law	28

	Page
§ 39602.5. Adoption of rules and regulations	28
§ 39603. Contract for services; Appointment of advisory groups and committees	28
§ 39603.1. Advance payments.....	28
§ 39604. Information to be posted on website.....	29
§ 39605. Assistance; Information gathering; Hearings	29
§ 39606. Air basins; Ambient air quality	29
§ 39606.1. Mojave Desert Air Basin; Designation of boundaries.....	30
§ 39607. Gathering, monitoring, and evaluating air pollution information.....	30
§ 39607.1. Establishment of uniform statewide system of annual reporting of emissions by stationary source; Required reporting	31
§ 39607.3. Approval of emission inventory update.....	31
§ 39607.4. State Board responsible for climate change inventory.....	32
§ 39607.5. Method for valuation of credits for emission reductions	32
§ 39608. Identification and classification of air basins	32
§ 39609. Study of air quality models and other techniques	33
§ 39610. Identification of transported pollutants.....	33
§ 39611. [Section repealed 1993]	33
§ 39612. Permit fees on nonvehicular sources; Priority for expenditure; Limitation on total amount; Annual report	33
§ 39613. Emission fee for certain consumer products and architectural coatings; Use.....	34
§ 39614. 2.0L partial consent decree; Investments and expenditures; Duties of state board and lead agency	34
§ 39615. [Section repealed 1993]	35
§ 39616. Legislative findings and declarations; Market-based incentive program; Submission of plan or plan revisions; Adoption of rules and regulations.....	35
§ 39616.5. Compliant diesel fuel; Regulation	36
§ 39617. Methods for calculation of emission reductions.....	36
§ 39617.5. Expansion of monitoring program to determine exposure of infants and children to air pollutants.....	36
§ 39618. Regulation of refrigerated trailers as mobile sources	37
§ 39619. Airborne fine particles.....	37
§ 39619.5. Fine particles program goals	37
§ 39619.6. Study and review of health conditions	38
§ 39619.7. Written communication of possible civil penalty; Contents	38
§ 39619.8. Report to Governor and Legislature.....	38
Chapter 3.1. Permit Assistance	
§ 39620. Adoption and implementation of program	39
Chapter 3.2. Goods Movement Emission Reduction Program	
§ 39625. Legislative intent	39
§ 39625.01. Citation of chapter.....	40
§ 39625.02. Definitions; Authority of duties of administrative agency	40
§ 39625.1. Definitions	40
§ 39625.3. Types of funding	41
§ 39625.5. Competitive basis for allocation of funds; Priority projects; Supplemental funding	41
§ 39626. Guidelines for implementing funding; Notice of availability of funding; List of projects under consideration	41
§ 39626.5. Requirements for funding; Time limit on use of funds; Amount.....	42
§ 39627. Reimbursement for administrative costs.....	43
§ 39627.5. Report to Legislature	43
Chapter 3.3. Cruise Ships and Ongoing Ships	
§ 39630. Legislative findings and declarations	43
§ 39631. Enforcement and adoption of standards, rules and regulations; Cruise ship defined; Ongoing ship defined.....	43
§ 39632. Onboard incineration prohibited within 3 miles of California coast.....	43
Chapter 3.4. Schoolbus Idling and Idling at Schools	
§ 39640. Purpose of chapter.....	43

	Page
§ 39641. Regulations establishing toxic control measures	43
§ 39642. Enforcement of regulations; Civil penalties.....	44
Chapter 3.5. Toxic Air Contaminants	
Article 1. Findings, Declarations and Intent	
§ 39650. Legislative findings and declarations	44
Article 2. Article 2. Definitions	
§ 39655. Definitions	44
Article 2.5. Coordination With the Federal Act	
§ 39656. Establishment of program to regulate toxic air contaminants.....	45
§ 39657. Identification and designation of toxic air contaminants	45
§ 39658. Airborne toxic control measures	45
§ 39659. Regulations	46
Article 3. Identification of Toxic Air Contaminants	
§ 39660. Evaluations and recommendations regarding potential contaminants	46
§ 39660.5. Potential exposure in indoor environments	47
§ 39661. Report as basis for regulatory action; Revising report.....	48
§ 39662. Public hearing; Determination; Review of determination.....	48
§ 39663. [Section repealed 2004]	48
§ 39664. Epidemiological study of long-term health effects of aerial application of pesticides	48
Article 4. Control of Toxic Air Contaminants	
§ 39665. Report on need and degree of regulation for contaminant.....	49
§ 39666. Adoption of airborne toxic control measures.....	49
§ 39667. Revision in emission standards or regulations specifying content of motor vehicle fuel ..	50
§ 39668. Report on availability and effectiveness of monitoring options; Guidelines for supplemental monitoring networks; Request for matching funds	50
§ 39669. Implementation and enforcement of prior-adopted airborne toxic control measures	51
Article 4.5. Special Provisions for Infants and Children	
§ 39669.5. Legislative findings and declarations; Identification and evaluation of toxic air contaminants that may be problematic for infants and children.....	51
Article 5. Scientific Review Panel	
§ 39670. Members of panel	52
§ 39671. Terms of members	52
Article 6. Penalties	
§ 39674. Civil penalties; Strict liability; Liability for intentional or negligent violations	52
§ 39675. Applicability of Sections 42400, 42400.1, 42400.2, and 42402.2 to violations of certain regulations or orders.....	53
Chapter 4. Research	
§ 39700. Legislative declaration.....	53
§ 39701. Coordination and collection of research data.....	53
§ 39702. Report to Legislature	53
§ 39702.5. [Section repealed 2005]	53
§ 39703. Administration and coordination of air pollution research.....	53
§ 39704. Contracts for air pollution research	53
§ 39705. Screening committee	54
§ 39706. Appropriation for development of cotton gin trash incinerator heat exchanger.....	54
Chapter 4.1. Greenhouse Gas Reduction Fund Investment Plan and Communities Revitalization Act	
§ 39710. Definition	54
§ 39711. Identification of disadvantaged communities for investment opportunities	54
§ 39712. Appropriations: Use of moneys; Allocation.....	55
§ 39713. Required allocations in investment plan	55
§ 39715. Guidelines required for maximizing benefits for disadvantaged communities	56
§ 39716. Investment plan	56
§ 39718. Appropriation; Use of moneys in fund.....	56
§ 39719. Continuous appropriation of annual proceeds of the fund to reduce greenhouse gas emissions	57
§ 39719.1. Moneys available to High-Speed Rail Authority; Repayment.....	57

	Page
§ 39719.2. California Clean Truck, Bus, and Off-Road Vehicle and Equipment Technology Program; Eligible projects; Guidance for implementation; Funding priority; Annual framework and plan	57
§ 39720. Report.....	59
§ 39721. Report to Department of Finance.....	59
§ 39723. Construction of chapter regarding payment of tax.....	59
Chapter 4.2. Global Warming	
§ 39730. Strategy to reduce emissions of short-lived climate pollutants	59
§ 39730.5. Strategy requirements and approval	60
§ 39730.6. Methane emissions reduction	60
§ 39730.7. Dairy and livestock methane emissions.....	60
§ 39730.8. Renewable gas; Biomethane and biogas	62
§ 39731. Duties of state board with respect to methane emissions.....	62
§ 39733. Woodsmoke Reduction Program	62
§ 39734. Fluorinated gases; Prohibitions and restrictions.....	63
Chapter 4.5. Rice Straw Demonstration Project	
§ 39750. Findings	64
§ 39751. Fund	64
§ 39752. Cost-sharing grants for demonstration projects; Criteria for awards; Preferences (Operative date contingent).....	64
§ 39753. Funding intent.....	64
Chapter 4.7. Agricultural Biomass Utilization	
§ 39760. Findings of Legislature	64
§ 39761. Definitions	65
§ 39762. Creation of account.....	65
§ 39763. Grants and criteria.....	65
Chapter 5. Air Pollution Control Subvention Program	
§ 39800. “Dollars budgeted”	65
§ 39801. Administration of funds	66
§ 39802. Board’s subventions; Eligible districts	66
§ 39802.5. Minimum subventions in rural districts.....	66
§ 39803. Subventions in other air basins.....	66
§ 39804. Subventions in basins with limited populations	67
§ 39805. Inflation adjustment	67
§ 39806. Program for reduction of air contaminants required	67
§ 39806.5. Public hearing.....	67
§ 39807. Reduction of subvention in view of grant of federal funds.....	67
§ 39808. Review of district programs and expenditures	67
§ 39809. Funds for administration of program.....	68
§ 39810. Supplemental subventions.....	68
§ 39811. Reversion of funds	68
§§ 39820–39880. [Sections repealed 1975].....	68
Chapter 6. Atmospheric Acidity [Repealed]	
§§ 39900–39905. [Sections repealed 2013].....	68
§§ 39906–39909. [Sections repealed 1994].....	69
Chapter 7. Expedited Air Quality Improvement Program for Electrical Generation	
§ 39910. Legislative findings	69
§ 39911. [Section repealed 1994]	69
§ 39912. [Section repealed 1993]	69
§§ 39913, 39914. [Sections repealed 1988].....	69
§ 39915. Scheduling the retrofit of electric generation facilities	69
§ 39920. Emission reduction credits	69
§ 39930. Report on indoor air pollution	70
Chapter 8. Remote Sensing Pilot Program	
§ 39940. Remote sensing pilot program	70
§ 39941. Remote sensing pilot program advisory group	71
