California Forms of Pleading and Practice

California Forms of Pleading and Practice has earned its reputation as the cornerstone of any California civil litigator’s library. This unparalleled publication combines expert legal analyses of substantive and procedural law with research guides, checklists and forms to provide a “one-stop” resource that lets civil practitioners move seamlessly from legal analysis to putting that information into action. Encyclopedic coverage includes:
- Civil procedure
- Business and commercial law
- Civil rights
- Torts and workers’ compensation
- Employment law
- Family law
- Insurance law
- Alternative dispute resolution
- Probate proceedings
- Public administrative law
- Real estate

It’s the resource for effectively researching topics like attorney practice and ethics, elections, change of name, small claims, notaries public and more.

56 volumes, loose-leaf, updated 5 times per year, Pub. #00181, ISBN 9780820553276 eISBN 9781522115968

A guide to civil actions and proceedings from pleadings to appeal
**California Points and Authorities**

Comprehensive in scope, the set covers a broad range of practice areas as well as various stages of litigation, including:
- Memoranda supporting and opposing specific contentions
- Points of law to help you research and evaluate your case and draft jury instructions
- Easy-to-use forms for memoranda of points and authorities, and trial and appellate briefs and motions
- Discussion of the most important authorities for each point of law
- Discussion of the various types of forms and the best method for quickly selecting and compiling relevant forms
- Techniques for law and motion practice

**Judicial Council of California Civil Jury Instructions (CACI)**

Not only use what the judge is using with the official Judicial Council of California Civil Jury Instructions (CACI), but also anticipate what will need to be proven in court when taking on new clients. These plain-English instructions cover many topics including evidence, contracts, torts, civil rights, eminent domain, damages and much more.

**LexisNexis® Automated Judicial Council of California Civil Jury Instructions (CACI)**

The program walks you step by step through the instruction drafting and assembly process, allowing you to choose the relevant instructions for your case. Assemble a complete set or individual series of instructions, or draft your own instructions using a template.

**California Forms of Jury Instruction**

With hundreds of instructions already drafted for you, adapting instructions to the facts of your case is quick and easy. This publication includes all the official Judicial Council of California Civil Jury Instructions (CACI), as well as Matthew Bender specific jury instructions that enhance CACI or cover areas of law that are not addressed by CACI, such as instructions relating to:
- Construction contracts
- Real property sales
- Business torts
- Debtor-creditor relations

Every chapter (whether a CACI or Matthew Bender chapter) includes actual, plain-English jury instructions, directions for using the instructions, and sources and authorities supporting the instructions. Many CACI chapters also include special verdict forms. It is an excellent initial research tool, giving practitioners the “bottom line” when evaluating a case, whether or not it ever goes to trial. A subject matter index, table of cases and table of statutes are also included to further facilitate your research.

**LexisNexis® Automated California Judicial Council Forms**

Powered by HotDocs, this forms set is an easy way to expedite the tedious form-filling process. Reviewed by California attorneys, this intuitive system:
- Allows entry of data directly into an electronic version of the form
- Saves client information and automatically transfers it to other forms
- Makes it easy to see how the form will look upon completion
- Spell checks and corrects mistakes before printing
- Saves you from having to enter the same data more than once
- Gives you the ability to print blank forms

Cross-Examination for Depositions
Matthew R. Dodd, Roger J. Dodd
Cases are often won or lost at the discovery stage, and knowing how to cross-examine deponents is an essential skill for all litigators. Cross-Examination for Depositions gives you the tools you need to maximize your effectiveness at depositions. The authors show you how to focus on the "theory of the case" and prepare lines of questioning that support that theory. Following the authors' preparation guidelines will afford you a major advantage, before a deposition even begins.

Cross-Examination: Science and Techniques, Third Edition
Larry Pozner, Roger J. Dodd
The third edition of Cross-Examination: Science and Techniques is an extensive revision and reorganization of Pozner and Dodd's classic work, written to meet the needs of today's trial attorneys. The authors' signature techniques and methodologies, which have brought them acclaim as the nation's leading experts on cross-examination, are illustrated with numerous new examples added specifically for this revision. As always, the authors, who have lectured on cross-examination to thousands of attorneys worldwide, guide you to successful trial outcomes with a conversational, engaging and easy-to-read writing style.

Pozner & Dodd, The Masters of Cross-Examination
Larry Pozner, Roger J. Dodd
With authoritative guidance from Larry Pozner and Roger Dodd, the "masters of cross-examination," this DVD set gives attorneys the practical tools to unleash the power of constructive cross-examination for better trial outcomes. The DVDs provide detailed guidance on the authors' signature "Chapter Method" of preparing for cross-examination, as well as proven techniques for controlling witnesses.

Federal Government Real Estate Leasing
Robert C. MacKichan, Jr., Gordon N. Griffin

Whether you are a seasoned pro or new to the world of federal real estate leasing, this detailed, up-to-date resource is designed to help you navigate the complexities—and avoid the many pitfalls—in federal lease transactions. This highly practical, one-volume guide sets out the rules of the road for real estate attorneys as well as government contracting officers and leasing specialists. It includes in-depth discussions and analysis of:

- Recent developments on government lease administration, new rules and templates
- Important U.S. Court of Federal Claims decisions addressing federal leasing
- Government leasing policy, the rules of the road for contracting with the federal government and lease elements
- Federal leasebacks

The guide includes a Special Alert written by the authors on Landlord Technology Traps: New Prohibitions on Chinese Technology in Government Leases.

The Lawyer’s Guide to the AMA Guides and California Workers’ Compensation
Hon. Robert G. Rassp

Workers’ compensation claims involving the AMA Guides have emerged that hinge on the proper use, misuse or under-use of the Guides and on the causation of permanent disability under the apportionment statutes and developing case law. The Lawyer’s Guide to the AMA Guides and California Workers’ Compensation will assist you in the proper use of the AMA Guides, and thus enable you to determine whether a medical report constitutes substantial evidence. In addition, there are some observations about the AMA Guides that assist you in learning and understanding them, and help you formulate questions to doctors about them.
