

Foreword

As publishers of the *Code of Virginia*, we are pleased to offer to the legal and education community this new 2022-2023 School Year Edition of **Virginia School Law Deskbook**, which combines Virginia School Laws and Regulations in one handy volume. This edition includes select federal laws of interest to education professionals as well as carefully selected state statutes which are annotated and fully up to date with legislation enacted through the Chapter 22 of the 2022 Special Session I of the General Assembly. In Addition, this publication contains all of the regulations of the State Board of Education in Title 8 of the *Virginia Administrative Code* and is fully updated through *Virginia Register* Volume 39, Issue 6 (November 06, 2022). The following selected sections of the United States Code were obtained from the United States Code Service. This extracted data is current through Public Law 117-214. The following selected regulations are from the Code of Federal Regulations. This extracted data is updated through the November 7, 2022 Federal Register.

This edition carries a listing of sections affected by recent legislation. Also, we are pleased to include "Select Legislative Summaries." Drawing from both legislative reports and analysis by our own staff of attorneys and editors, the summaries reflect the major changes in the year for education law in Virginia.

We are committed to providing attorneys and education professionals with the most comprehensive, current and useful information possible. Accordingly, regular revisions of this book are planned, and we publish a host of other publications covering various topics of Virginia law.

We actively solicit your comments and suggestions. If you believe that there are statutes which should be included (or excluded), or if you have suggestions regarding index improvements, please write to us or call us toll-free at 1-800-833-9844; E-mail us at llp.clp@lexisnexis.com; or visit our website at www.lexisnexis.com. By providing us with your informed comments, you will be assured of having available a working tool which increases in value each year.
